

The MARC Foundation invites you to take part in this exciting event. The mission of the MARC Foundation is to provide financial support for prevention and treatment of substance use disorders, including alcoholism and drug abuse. In addition to aiding organizations fighting against substance misuse, The MARC Foundation has helped create an Overdose Awareness Memorial, provided scholarships for recovering substance abusers who want to work as addiction counselors, created transition funds for those moving from community residences to mainstream life, improved local community residences and conducted several events to call attention to the problems of substance misuse.

Florence Manor

Community Residence for Women

Bolger House

Community Residence for Men

Dowling House

Community Residence for Men and Women

Sober Supported Housing

Provides supportive services and rent subsidies as resident's transition.
